WELCOME HOME INITIATIVE[©]

a program for combat veterans

2020
PROGRAM DATE
November 9-11

The Welcome Home Initiative[©]
is a healing program for military veterans
and spouses of those veterans who have
served their country in combat. These
veterans may be suffering in varying
degrees from Post-Traumatic Stress or Moral
Injury and are in need of Soul Repair.

The format of the program helps veterans and spouses understand the hidden impact of combat and provides a safe place for their emotional healing. This essential spiritual and emotional healing is a complement to healing received from medical, psychiatric, and social services.

And he said, “O man greatly loved, fear not, peace be with you; be strong and of good courage.” And as he spoke to me, I was strengthened and said, “Let my lord speak, for you have strengthened me.”

Daniel 10:19
