

# The Place of the Heart

The Heart of a faithful Christian is Christ-Centered

**The Holy Trinity Indwells our spirits**

## What is the “Heart”?

Holy Scripture uses two different words to speak of “Heart” (Leb – Kardia) and “Soul” (N'shamah – Psyche), so that we should not merely identify one with the other.

### The Heart is identified as:

- ✧ the deepest part of ourselves
- ✧ the well-spring of our true Identity
- ✧ the physical organ of our bodily hearts
- ✧ our “Center”
- ✧ our Inner Person
- ✧ the “Gut” or “Belly”

**The Heart is the Meeting Place or “Interface”  
between our Body, Soul and Spirit**

**The Heart is the Gateway between Soul and Spirit**

+In the Heart, Mind (thoughts, imagination, memory) feelings and will come together+  
In our hearts, all our abilities and activities of Mind, Emotions and Will meet together in a deep place within us, joining together to encounter, experience and interact with the Presence of God in our Spirits: Wisdom and His Love/Law in Communion with Him.
